

Vote for Vets Rally

One of every four homeless people is a veteran. We have men and women who live in tents in the Middle East to serve us and when they return to California, many don't have a place to call home.

Proposition 41 is going to transfer \$600 million in unused state bond money to develop practical transitional and rental housing for veterans. By supporting Proposition 41, we can say thank you and show that we do care. So **Vote for Vets!** The proposition will be on the ballot this June.

In order to approve Proposition 41 and help our vets, we need a strong show of support on Election Day and strongly encourage everyone to vote. Come learn more at our rally and let's Get out the Vote for veterans!
