

# Show Your SOUL DONATE Your SOLES

**American Soldier Network's** responsibilities are:

- Collect slightly used shoes.
- Bag all those shoes in pairs of **25 pairs of shoes per bag.** (Large Trash Bags)
- Have all our bags in one location for pick up.

If we hit the goal of #100 bags of 25 pairs of shoes per bag there will be *no cost* to the charity for shipping or pick up.

- The charity earns .40 cents per pound of shoes.
- The Shoes are picked up and transported to third world countries for the less fortunate. A Win Win, we keep our landfills clear, we shoe the poverty stricken around the world and raise money for our heroes here at home all with YOUR Used Shoes!

All shoes count: children boys, girls, men's, women's, boots , dress shoes, athletic shoes, casual shoes, etc.

Once the truck arrives to pick up the shoes we all pitch in to load the bags of shoes onto the truck.

If this is something you and your friends/colleagues want to do in your area let me know! Reach out to local churches, clubs, VFW, American Legions, schools, etc see if they will collect shoes along with you...

Pick a FINAL COLLECTION DATE and Ready Set GO!

Hope this explains it a bit more in detail. We are really trying to raise funds for our Stop Soldier Suicide campaign, we are losing too many veterans to this epidemic. It is not only killing too many of our Vietnam Veterans and we are losing over 22 a day of our men/women of Desert Storm, Iraq and Afghanistan it is now a tragedy in the children of those who are losing their Dad's to suicide. Healing Happens and this is our focus!
