

California Motorcyclist Anti-Profilng Coalition

Hello fellow rider:

This weekend; November 4 is a California Motorcyclist Anti-Profilng Call-to-Action.

Assembly member Shirley Weber has been successful in passing anti-profilng language to monitor law enforcement stops. We feel our profilng discussion can coexist with her bill. The meeting will show Assembly member Weber that there is a voice behind our position.

Please make time to attend promptly. Our goal is to fill the parking lot with motorcycles as well as the meeting room.

If you are in the San Diego area or would like to ride to this event, we would love to have you attend. If you cannot attend but know somebody that would like to attend, please forward this email to them.

Please let me know if you have further questions.

Thank you,
Chuck Pedersen
